**Notes:**

# In case compound reversionary it is expressed as a % of Sum assured plus accrued bonus (i.e. bonus already credited to the policy till date). In case of Simple reversionary bonus ,it is expressed as % of Sum assured only.

\*\* It is expressed as % of accrued reversionary bonus only

The above bonus rates have to be credited to all eligible policies (refer the respective policy terms & conditions) on the policy anniversary falling during the FY 2017-18, provided the policy is in-force. All other terms & conditions for the bonus eligibility shall remain same.

It may also be noted that the same rates will be used for making the interim bonus during the inter-valuation period ( i.e. time period during the next FY but before the bonus declaration).

**The bonus rates shown are specific to the years mentioned and are not indicative of bonus rates that may be declared in future**
