Benefits in Detail

Death or Terminal Illness Benefit

Death or Terminal Illness Benefit shall be payable according to the benefit option chosen by policyholder at inception. Benefit option, once chosen, cannot be altered during the term.

Option 1 – Lump Sum

At inception, you have to choose the lump sum payable immediately on first occurrence of Death or diagnosis of Terminal Illness of the life assured during the policy term. This lump sum amount is equal to Sum Assured on Death.

Option 2 – Life Partner

Both the Policyholder (the first life) and his/her spouse (the second life) are covered.

At inception, you have to choose the lump sum payable immediately on first occurrence of Death or diagnosis of Terminal Illness of the first life during the policy term. The cover to the Second life shall be equal to 50% of the lumpsum amount chosen for the first life, subject to a maximum of Rs. 1 Crore.

The lump sum amount payable in respect of each life is equal to Sum Assured on Death in respect of either life.

The following table summarizes the death or terminal illness benefit under different scenarios in this option:

On first occurrence of death or diagnosis of terminal illness for the first life

- Sum Assured on Death in respect of first life is payable as a lump sum
- The policy continues with future premium being waived
- On subsequent occurrence of death or diagnosis of terminal illness of the Second life, the Sum Assured on Death in respect of Second Life is paid.
- The policy terminates with the payment of this amount.

On first occurrence of death or diagnosis of terminal illness for the second life preceding the first life,

- Sum Assured on Death in respect of second life is payable as a lump sum
- The policy shall continue with reduced premiums with respect to First life
- On subsequent occurrence of death or diagnosis of terminal illness of the first life, the Sum Assured on Death in respect of first Life is paid.
- The policy terminates with the payment of this amount.

On first occurrence of death or diagnosis of terminal illness of both the lives simultaneously

- Sum Assured on Death in respect of both the first life and the second life will be paid as lump sum and the policy is terminated.

Note :

- Once Option 2 – Life partner is chosen the policyholder cannot discontinue the coverage of the particular life, unless it is due to the events as mentioned above.
- Option 2 – Life partner shall only be available where the Basic Sum Assured of First Life is greater than or equal to Rs. 50 lakhs.
- Cover for second life would be available upon payment of additional premiums.

Option 3 – Fixed Income

At inception, you have to choose the Monthly Income amount. On first occurrence of Death or diagnosis of Terminal Illness, Sum Assured on Death shall be payable. Sum Assured on Death is equal to lump sum amount (equal to 100 times of Monthly Income chosen at the time of inception) payable immediately plus fixed Monthly Income payable over 10 years (120 months) in installments, where the first installment of monthly income will be payable one month from date of death of the life assured.

The policy terminates with the payment of the last installment of Monthly Income.

Option 4 – Increasing Income

At inception, you have to choose the Monthly Income amount. On first occurrence of Death or diagnosis of Terminal Illness, Sum Assured on Death shall be payable. Sum Assured on Death is equal to lump sum amount (equal to 100 times of Monthly Income chosen at the time of inception) payable

immediately plus increasing Monthly Income payable over 10 years (120 months) in installments increasing at 10% simple per annum, where the first installment of monthly income will be payable one month from date of death of the life assured.

For Option 1 – Lump Sum, Option 3 – Fixed Income, and Option 4 – Increasing Income

Sum Assured on Death shall be defined as higher of

- 10 times the Annualized Premium
- Basic sum assured
- 105% of total premiums paid upto the date of death or diagnosis of terminal illness.

For Option 2 – Life Partner

Sum Assured on Death in respect of first life shall be defined as Higher of

- 10 times the Annualized Premium in respect of first life
- Basic sum assured in respect of first life
- 105% of total premiums paid in respect of first life, upto the date of death or diagnosis of terminal illness.

Sum Assured on Death in respect of second life shall be defined as Higher of

- 10 times the Annualized Premium in respect of second life
- Basic sum assured in respect of second life
- 105% of total premiums paid in respect of second life, upto the date of death or diagnosis of terminal illness.

Where **Basic Sum Assured** is the absolute amount to be paid on death and is equal to “Lump Sum” amount payable immediately plus Total Monthly Income (if any) payable over 120 months on first occurrence of death or diagnosis of Terminal Illness

The policy terminates with the payment of the last installment of Monthly Income.

Please refer section ‘Terms and conditions’ for the details of terminal illness

Additional Benefit

Return of Premiums

If you choose the ‘With Return of Premiums’ option, then on survival till maturity of the policy, you will receive maturity benefit which is equal to the sum assured on maturity. This option is available on payment of additional premiums.

Maturity Benefit

Maturity benefit is payable only if ‘with Return of Premiums’ option is chosen. Maturity benefit is equal to sum assured on maturity.

For Option 1 – Lump sum, Option 3 – Fixed income, and Option 4 – Increasing income, Sum Assured on Maturity is the absolute amount of benefit guaranteed to be paid on maturity, which is 100% of total premiums paid.

For Option 2 – Life partner, the following table summarizes the maturity benefit under different scenarios:

On survival of both lives till maturity	<ul style="list-style-type: none"> • Sum Assured on Maturity in respect of both lives, which is the absolute amount of benefit guaranteed to be paid on maturity and is equal to 100% of total premiums paid in respect of both life cover.
In case of death or diagnosis of terminal illness of the First Life, and survival of Second Life till maturity	<ul style="list-style-type: none"> • Sum Assured on Maturity in respect of the Second Life, which is the absolute amount of benefit guaranteed to be paid on maturity, and is equal to 100% of total additional premiums paid (including premiums which are waived and paid by the insurance company) for Second Life cover
In case of death or diagnosis of terminal illness of the Second Life, and survival of First Life till maturity	<ul style="list-style-type: none"> • Sum Assured on Maturity in respect of the First Life, which is the absolute amount of benefit guaranteed to be paid on maturity, and is equal to 100% of total premiums paid for First Life cover

The total premiums paid means total of all the premiums received, excluding any extra premium, any rider premium and taxes but includes any frequency loading.

No maturity benefit will be paid under ‘without Return of Premiums’ option. The Policy terminates with the payment of maturity benefit.

Non-Forfeiture Benefits

Surrender Benefit

Surrender benefit is payable only if ‘with Return of Premiums’ option is chosen. If all installment premiums have been paid for at least first two consecutive policy years, the policy shall acquire a surrender value.

The policy will be terminated once it is surrendered. The surrender value payable shall be higher of guaranteed surrender value and special surrender value as given below:

Guaranteed Surrender Value (GSV) = GSV Factor multiplied by Total premiums paid.

The total premiums paid considered in calculation of GSV are premiums excluding tax and underwriting extra premiums paid, if any.

Option 2- Life Partner: The total premiums paid with respect to each life considered in calculation of GSV are premiums with respect to each life excluding tax, rider premium and underwriting extra premiums paid, if any.

Special Surrender Value (SSV) is calculated as Maturity Paid-up Sum Assured x SSV factor, Where Maturity Paid-up Sum Assured for,

- Without Return of Premiums: zero
- With Return of Premium (For Option 1 – Lump Sum, Option 3 – Fixed Income, and Option 4 – Increasing Income): The absolute amount of benefit guaranteed to be paid on maturity, which is 100% of total premiums paid.
- With Return of Premiums (For Option 2- Life Partner): The absolute amount of benefit guaranteed to be paid on maturity with respect to each life, which is 100% of total premiums paid (including premiums which are waived and paid by us or the insurance company if any) with respect to each life.

The applicable surrender value factors vary according to the policy term and policy year of surrender.

Paid-up Benefits

If a policy has acquired a non-zero surrender value and no future installment premiums are paid, the policy will continue as a paid up policy with reduced benefits, however the policyholder shall have the option to surrender the policy.

Paid-up policy is a default non forfeiture benefit. Such Paid-up policies can be revived within five (5) years from the due date of first unpaid premium by payment of all due installment premiums together with interest, at prevailing rate of interest. Once Policy becomes Paid-up and is not revived till the end of the revival period it will continue to be in Paid-up status.

The benefits to be paid in case of Paid-up policies are as follows.

Death or Terminal Illness Benefit

For Option 1 – Lump Sum

Paid-Up Sum Assured on Death is payable, where paid-up sum assured on death is defined as:

Sum Assured on Death * (Number of Installment Premiums paid/ Number of Installment Premiums payable during the Premium Payment Term).

The policy terminates with the payment of this claim amount.

For Option 2 – Life Partner

<p>On first occurrence of death or diagnosis of terminal illness for the first life</p>	<ul style="list-style-type: none"> • Paid – up Sum Assured on Death in respect of first life is payable as a lump sum where paid-up sum assured on death is defined as, Sum Assured on Death in respect of first life * (Number of Installment Premiums paid/ Number of Installment Premiums payable during the Premium Payment Term) • On subsequent occurrence of death or diagnosis of terminal illness of the Second life, paid – up Sum Assured on Death in respect of Second Life is paid and the policy terminates
<p>On first occurrence of death or diagnosis of terminal illness for the second life preceding the first life,</p>	<ul style="list-style-type: none"> • Paid – up Sum Assured on Death in respect of second life is payable as a lump sum where paid-up sum assured on death is defined as, Sum Assured on Death in respect of second life * (Number of Installment Premiums paid/ Number of Installment Premiums payable during the Premium Payment Term) • On subsequent occurrence of death or diagnosis of terminal illness of the first life, paid – up Sum Assured on Death in respect of first Life shall be payable and the policy terminates
<p>On first occurrence of death or diagnosis of terminal illness of both the lives simultaneously</p>	<ul style="list-style-type: none"> • Paid – up Sum Assured on Death in respect of both the first life and the second life will be paid as lump sum and the policy is terminated.

For Option 3 – Fixed Income and Option 4 – Increasing Income

Paid-Up Sum Assured on Death is payable, which is equal to Sum Assured on Death * (Number of Installment Premiums paid/ Number of Installment Premiums payable during the Premium Payment Term).

Paid-Up Sum Assured on Death is defined as

- 10 times the Annualized Premium $*(t / n)$
 - Paid-Up Basic sum assured, which is the “Lump Sum $*(t / n)$ ” amount payable immediately plus Total Monthly Income $*(t / n)$ payable over 120 months on first occurrence of death or diagnosis of Terminal Illness.
 - 105% of total premiums paid upto the date of death.
- Where, “t” refers the Number of Installment Premiums paid and “n” refers the Number of Installment Premiums payable during the Premium Payment Term. The policy terminates with the payment of the last installment of Monthly Income.

Maturity Benefit

Paid – up sum assured on maturity is payable as Maturity Benefit. Maturity benefit is payable only if ‘with Return of Premiums’ option is chosen. For Option 1 – Lump Sum, Option 3 – Fixed Income, and Option 4 – Increasing Income, Paid - up Sum Assured on Maturity is the absolute amount of benefit guaranteed to be paid on maturity, which is 100% of total premiums paid till the policy becomes paid-up.

For Option 2 – Life Partner

On survival of both lives till maturity	<ul style="list-style-type: none"> • Paid – up Sum Assured on Maturity in respect of both lives, which is the absolute amount of benefit guaranteed to be paid on maturity and is equal to 100% of total premiums paid in respect of both life cover till the policy becomes paid-up
In case of death or diagnosis of terminal illness of the First Life, and survival of Second Life till maturity	<ul style="list-style-type: none"> • Paid – up Sum Assured on Maturity in respect of the Second Life, which is the absolute amount of benefit guaranteed to be paid on maturity, and is equal to 100% of total additional premiums paid (including premiums which are waived and paid by insurance company) for Second Life cover till the policy becomes paid-up
In case of death or diagnosis of terminal illness of the Second Life, and survival of First Life till maturity	<ul style="list-style-type: none"> • Paid – up Sum Assured on Maturity in respect of the First Life, which is the absolute amount of benefit guaranteed to be paid on maturity, and is equal to 100% of total premiums paid for First Life cover till the policy becomes paid - up

The total premiums paid are the premiums excluding taxes and extra premiums paid, if any.

The Policy terminates with the payment of maturity benefit.

Paid up Sum Assured on Maturity is zero if ‘without Return of Premiums’ option is chosen.

Other Benefits

Special Benefits for Women

The policy also offers special premium rates for a female life assured.

Flexible Premium Payment Modes & Modal Factors

You may elect to pay premiums by Yearly, Half Yearly, or Monthly mode subject to the minimum annualized premium under each mode.

Modal factors on annualized premium will be applicable as per the table below:

Premium Paying Mode	Modal Factor
Half Yearly	0.5131
Monthly	0.0886

Alteration between different modes of premium payment is allowed at any Policy Anniversary on request.

Benefits for Higher Sum Assured

Special premium rates will be offered upon choosing higher sum assured, depending on sum assured slabs. The available sum assured slabs are Rs. 25 lakhs – Rs. 49.99 lakhs, Rs. 50 lakhs – Rs. 99.99 lakhs, Rs. 1 crore – Rs. 1.99 crore, Rs. 2 crore and above.

Loans

There is no policy loan available in this plan.

Grace Period

If premiums are not paid on their due dates, a grace period of 30 days (15 days for monthly mode) from the due date of unpaid premium will be allowed for payment of premium without interest. During the grace period the policy shall continue to be in force for all the insured events.

Premium Discontinuance

In case of ‘Without Return of Premiums’ option, if due Installment Premium is not paid in full within the Grace Period, then the Policy shall Lapse and the insurance cover will cease.

In case of ‘With Return of Premiums’ option, if the installment premiums for first two consecutive years are not paid in full, the policy lapses at the end of

the grace period and the risk cover will cease immediately.

Revival

A lapsed policy may be revived, during the Policy Term, within a Revival Period of five years from the date of first unpaid premium by submitting proof of continued insurability as per Board approved underwriting policy and making the payment of all due premiums together with interest payment at such rate as may be prevailing at the time of the payment.

The rate of interest is calculated as the 10 Year G-Sec rate plus 100 basis points, rounded up to the nearest 50 basis points. The Company will review the rate on an annual basis in April based on the prevailing G-Sec rate. However, under special circumstances where G-Sec rate changes in excess of 200 basis points from the G-Sec rate used for calculating the current interest rate, the company shall review the rate based on the prevailing G-Sec rate.

This formula will be reviewed annually and only altered subject to prior approval of IRDA of India. Currently, the Company charges 7.5% p.a. interest on revivals. Please contact us to know the prevailing rate of interest for revival of policies.

Revival of the policy is subject to Board approved underwriting policy. A surrendered policy cannot be revived.

Termination

The Policy will be terminated on the earliest of the following:

- The date on which the Benefits payable on Surrender are settled under the Policy.
- At the expiry of five years from the date of lapse, when the Policy has not been revived and provided the said Policy has not acquired any Paid-Up Value
- On payment of the Death Benefit, Terminal Illness Benefit, or Maturity Benefit (only if 'with return of premiums' option is selected), whichever is applicable

Terms and Conditions

Free Look Period

Please go through the terms and conditions of your Policy very carefully. If you have any objections to the terms and conditions of your Policy, you may return the Policy by giving a signed written notice to us stating the reasons for cancellation, within 15 days (30 days for distance marketing) from the date of receiving your Policy and you will be entitled to a refund of the installment premiums paid, subject to a deduction of proportionate risk premium for the period of cover, stamp duty charges and/or the expenses incurred on medical examination (if any).

Tax Benefits

Tax benefits under this plan are available as per the provisions and conditions of the Income Tax Act, 1961 and are subject to any changes made in the tax laws in future. Please consult your tax advisor for advice on the availability of tax benefits for the premiums paid and proceeds received under the policy.

Suicide Exclusions

If the Life Assured's death is due to suicide within 12 months from the Date of commencement of risk or from date of revival of the policy, the Nominee or beneficiary of the policy will be entitled to at least 80% of the total Premiums paid under the Policy till the date of death or the Surrender Value available as on the date of death, whichever is higher, provided the Policy is in Inforce Status.

Nomination

Nomination shall be in accordance with provisions of Section 39 of the Insurance Act 1938 as amended from time to time. Nomination of this Policy is not applicable if the Policy has been effected under Section 6 of the Married Women's Property Act 1874

Assignment

Assignment shall be in accordance with provisions of Section 38 of the Insurance Act 1938 as amended from time to time. Assignment of this Policy is not applicable if the Policy has been effected under Section 6 of the Married Women's Property Act 1874.

Terminal Illness

Terminal Illness is defined as an advanced or rapidly progressing incurable disease where, in the opinion of two independent medical practitioners' specializing in treatment of such illness, life expectancy is no greater than twelve months from the date of notification of claim. The terminal illness must be diagnosed and confirmed by independent medical practitioners' specializing in treatment of such illness registered with the Indian Medical Association and the diagnosis of Terminal Illness should be approved by the Company. The Company reserves the right for independent assessment. The policy terminates with the payment of terminal illness benefit.

The definition of medical practitioner will be in line with Guidelines on Standardization in Health Insurance, and as defined below:

A Medical Practitioner is a person who holds a valid registration from the medical council of any state of India or Medical Council of India or Council for Indian Medicine or for Homeopathy set up by the Government of India or a State Government and is thereby entitled to practice medicine within its

jurisdiction; and is acting within the scope and jurisdiction of his license. The Medical Practitioner shall not include: a) A close relative of the policyholder; or b) A person who resides with the policyholder; or c) A person covered under this Policy
