4.5. Policy Revival

A Policy that has Lapsed or that has been converted to a Paid-up Policy in accordance with Section 4.4 may be revived during the Revival Period by giving Us written notice to revive the Policy, provided that:

A policy in lapsed or reduced paid-up condition can be revived during the revival period by paying the arrears of installment premiums along with interest at prevailing rate of interest, if any.

The Company may change this interest rate from time to time. Currently, the Company charges 8.00% p.a. interest on revivals.

The rate of interest is calculated as the 10 Year G-Sec rate as on 1st of April plus 50 basis points, rounded up to the nearest 50 basis points. The Company will review the rate on an annual basis. However, under special circumstances where the prevailing 10 Year G-Sec rate is changing in excess of 200 basis points from the G-Sec rate used for calculating the current interest rate, the company shall review the interest rate based on the prevailing 10 Year G-Sec rate. This formula will be reviewed annually and only altered subject to prior approval of IRDA of India.

The revival of the policy will be subject to Board approved underwriting Policy. A surrendered Policy cannot be revived.
