Your premiums are invested according to the portfolio strategy specified by you. This product offers You three portfolio strategies to manage Your investments. The Policyholder can only have his/her funds in one of the following Portfolio Strategies:

- i. **Self – Managed Strategy (Switches are permitted)**
- ii. **Systematic Transfer Strategy (No Switches are permitted)**
- iii. **Life – stage Strategy (No Switches are permitted)**

#### 5.3.1. Self – Managed Strategy

With this strategy, You can invest Your premiums directly amongst the 17 available funds in proportions of Your choice.

You have the option of switching amongst the 17 funds as mentioned above and may choose premium redirection option for Your future premiums depending up on Your changing risk appetite and market conditions.

#### 5.3.2. Systematic Transfer Strategy

You may utilise this strategy to ensure a gradual exposure to equity from debt in a phased manner through equal instalments over the course of 12 months. This strategy allows You to systematically invest in equities while eliminating the need to time Your investments into the equity market. This Strategy is available only to annual mode policies.

On selection of Systematic transfer strategy at the Inception of the Policy, following would occur:

- All Installment Premiums will be invested in Protector II Fund (debt-oriented fund)
- All monies in Protector II Fund will systematically be transferred to Premier Multi-cap Fund (equity-oriented fund) over the 12-month Policy period.
- The units will be automatically transferred from Protector II Fund to Premier Multi-cap Fund at the end of every month in the following manner

<b>Month 1</b>	1/12 of the units available at the end of Month 1
<b>Month 2</b>	1/11 of the units available at the end of Month 2
...	
<b>Month 5</b>	1/8 of the units available at the end of Month 5
...	
<b>Month 11</b>	1/2 of the units available at the end of Month 11
<b>Month 12</b>	Balance Units available at the end of the Month 12

Systematic transfer strategy if not opted at inception and chosen during the Policy Term, will only be activated on the next Policy Anniversary. The Policyholder would have two options once he/she chooses Systematic Transfer Strategy during the Policy Term

- Transfer all existing monies from Protector II Fund to any other fund. In this case, only the subsequent premiums allocated to in Protector II Fund would be systematically transferred to Premier Multi-cap Fund.
- Continue with existing monies in Protector II Fund. In this case, all monies including subsequent premiums, in Protector II Fund will be systematically transferred to Premier Multi-cap Fund.

#### **Other Terms & Conditions for Systematic Transfer Strategy**

- This facility will be deactivated in case the Policy moves to discontinuance policy status.
- In case premium payment mode is changed from Annual to any other mode, this option will be automatically deactivated.
- In case the policyholder does not pay the premium on due date, on subsequent premium payment the monies will be transferred from Protector II Fund to Premier Multi-cap Fund over the remaining policy period as illustrated above.

#### **5.3.3. Life-stage Strategy**

You can utilize this strategy to ensure that Your Policy adapts to Your changing needs, depending on Your life stage and Age.

- At the Inception of the Policy, Your investments are distributed between two funds, Premier Multi-cap Fund (equity oriented fund) and Protector II Fund (debt oriented fund), based on Your attained age. As You move from one Age band to another, Your funds are re-distributed based on Your Age. The age-wise portfolio distribution is shown in the following table.

Age of policyholder (years)	Premier Multi-cap Fund	Protector II Fund
Up to 30	70%	30%
31 – 40	60%	40%
41 – 50	50%	50%
51 – 60	40%	60%
61 – 70	20%	80%
71 +	10%	90%

- On a quarterly basis, units shall be rebalanced as necessary to achieve the above proportions of the Fund Value in the Premier Multi-cap Fund and Protector II Fund. The re-balancing of units shall be done on the last day of each policy quarter.
- On selection of Life-stage strategy during the policy term, the existing Funds as well as all future Instalment Premiums will be allocated as per the applicable proportion between Premier Multi-cap Fund (equity) and Protector II Fund (Debt), based on Your attained Age as illustrated in the table above.
- No Switches will be allowed if life-stage strategy is in effect

### **Change in Portfolio Strategy**

Policyholder may use the change in portfolio strategy option to transfer amongst any of the three portfolio strategies at any time during the policy term, provided the monies are not in the Discontinued Policy Fund. However Systematic transfer strategy if chosen during the Policy Term will be activated only on the next Policy Anniversary.

**Section 45, Policy shall not be called in question on the ground of mis-statement after three years**

A simplified version of the provisions regarding policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended from time to time and any other Regulations/ Circulars issued by the Authority are as follows:

01. No Policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 yrs from

- a. the date of issuance of policy or
  - b. the date of commencement of risk or
  - c. the date of revival of policy or
  - d. the date of rider to the policy
- whichever is later.

02. On the ground of fraud, a policy of Life Insurance may be called in question within 3 years from

- a. the date of issuance of policy or
  - b. the date of commencement of risk or
  - c. the date of revival of policy or
  - d. the date of rider to the policy
- whichever is later.

For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

03. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:

- a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
- b. The active concealment of a fact by the insured having knowledge or belief of the fact;
- c. Any other act fitted to deceive; and
- d. Any such act or omission as the law specifically declares to be fraudulent.

04. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the insured or his agent keeping silence to speak or silence is in itself equivalent to speak.

05. No Insurer shall repudiate a life insurance Policy on the ground of Fraud, if the Insured / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the policyholder, if alive, or beneficiaries.

06. Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the policy of life insurance is based.

07. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.

08. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance policy would have been issued to the insured.

09. The insurer can call for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
